

BRAMSHOTT & LIPHOOK PARISH PLAN

MINUTES OF THE STEERING GROUP MEETING

Held in the Liphook Millennium Hall on 13th September 2011, at 19.30 hours

Present: Robin Young (Chairman), Carole Holmes (Vice Chairman), Trevor Maroney (Treasurer), Lee Stewart, Sarah Frankland, plus 12 members of the public. (10 teenagers)

	<p>In view of the number of teens present the Chairman spoke about the skate park first. He explained to the Team the latest position, there had been a meeting called by John Garcia and attended by the teens on creating a new and better skate park in place of the existing one. The Recreation committee had been approached and will back the idea. RY then explained that he had agreed to offer legal and other help in fundraising but pointed out that it was the Teens who must decide what is wanted and do most of the fundraising. Then they would be responsible for it if it comes to pass.</p> <p>There were several questions from the teens which were answered.</p> <p>They then left with the thought to form a proper group and report back.</p> <p><u>Apologies for absence.</u></p> <p>Phil Jordan, Simon Cooper, John Tough.</p>

He welcomed Jeanette Kirby who had volunteered to join us on the planning side.</p>	
4.	<p><u>Steering Group Reports</u></p> <p>As John was not present Robin presented his Transport Report which had been circulated. There was a discussion about it and several follow up points were raised. Has the Canada Estate been adopted and who was responsible for the roads? What was happening re the Hamlets commuter transport? Could we have a summary of what transport services were available for the next meeting?</p> <p>Lee, His group had been quiet during the summer but were now gathering pace again. They were looking at the Haslemere Chamber of Commerce to see whether they could align with it. Also the business directory was being explored. They were also looking at a Christmas Window display competition similar to the Liphook in Bloom. They were kick starting the Market town Health check. They were also looking at what Liphook has and wants.</p> <p>Sarah. The Passfield sign has not been altered but there were plans to make the road No HGV and to change the industrial estate sign. Bramshott were advocating a 20mph zone. They suffered HGV coming through even though signs were there to prohibit them. It was mentioned that SATNAV were being returned, to cover these points.</p> <p>Trevor, His group was being resurrected and he would report next time.</p> <p>Carole, reported that the last forum for the Care of the Elderly was successfully held at Radford Court, where a number of new residents did not know very much about Liphook, but do now.
